

Advanced Training
with

Beatriz Walterspiel

Thursday, June 6 – Sunday, June 9, 2013
Vienna

As a teacher she is both gentle and intellectually challenging, her lessons offer a quiet and careful environment where nothing seems forced. Her teaching is highly refined and the structure of it is brilliantly built in order to create strong learning experiences. I very much appreciated her modest, unpretentious and straight to the point approach to the Feldenkrais method!
